A. Welcome to our plan

Our plan provides Medicare and Medical Assistance services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

B. Information about Medicare and Medical Assistance

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Medical Assistance

Medical Assistance is the name of Minnesota's Medicaid program. Medical Assistance is run by the state and is paid for by the state and the federal government. Medical Assistance helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of Minnesota approved our plan. You can get Medicare and Medical Assistance services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of Minnesota allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medical Assistance services aren't affected.

C. Advantages of our plan

You'll now get all of your covered Medicare and Medical Assistance services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medical Assistance benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - » Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - » Your test results are shared with all of your doctors and other providers, as appropriate.

D. Our plan's service area

Our service area includes these counties in Minnesota: Brown, Dodge, Goodhue, Sibley, Steele, Wabasha, and Waseca.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8, Section I**, of this *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Medical Assistance, **and**
- are age 65 or over.

If you lose eligibility but can be expected to regain it within 90 days then you're still eligible for our plan.

Call Member Services for more information.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) 30 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS.

Your care plan includes:

- your health care goals, **and**
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Your monthly costs for SeniorCare Complete

Our plan has no premium.

I. This *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9, Section E2**, of this *Member Handbook*, or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* found on our website at the web address at the bottom of the page.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

The contract is in effect for the months you are enrolled in our plan between January 1, 2026 and December 31, 2026.

J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory* and information about how to access a *List of Covered Drugs*, also known as a *Drug List* or *Formulary*.

J1. Your Member ID Card

Under our plan, you have one card for your Medicare and Medical Assistance services, including LTSS, certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions.

Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your Medical Assistance card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

For benefits covered outside of our plan you may need to use your Medical Assistance card. Refer to **Chapter 4, Section E**.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of this page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days. You can refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

Both Member Services and the website can give you the most up-to-date information about changes in our network pharmacies and providers. You can also search for providers using the Provider Online Search tool on the website.

If SeniorCare Complete is new for you, you can keep using the doctors you use now for up to 120 days for certain reasons. For more information, refer to **Chapter 3, Section B**.

After 120 days, you'll need to use doctors and other providers in our network. A network provider is a provider who works with our health plan. Refer to **Chapter 3, Section B**, for more information on getting care.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medical Assistance.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you *must* fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they have been removed and replaced as described in **Chapter 5, Section E**. Medicare approved the SeniorCare Complete *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5, Section C**, of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

J4. The Explanation of Benefits

When you use your Medicare Part D drug benefits, we send you a summary report to help you understand and keep track of payments for your Medicare Part D drugs. This summary report is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, have spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost-sharing that may be available. You can talk to your prescriber about these lower cost options. **Chapter 6, Section A**, of this *Member Handbook* gives more information about the EOB and how it helps you track of your drug coverage.

You can also ask for an EOB. To get a copy, please contact Member Services at the numbers at the bottom of the page.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); and
- participation in a clinical research study. (**NOTE:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

In addition, call your county worker to report these changes:

- Name or address changes
- Admission to a nursing home
- Addition or loss of a household member
- Lost or stolen Minnesota Health Care Program ID Card
- New insurance - provide begin and end dates
- New job or change in income

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

L1. Extra Help from Medicare

Because you're eligible for Medicaid, you qualify for and are getting "Extra Help" from Medicare to pay for your drug plan costs. You don't need to do anything to get this "Extra Help."

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help get evidence of your correct copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

- To ask for help getting the best available evidence and providing this evidence you can call Member Services at the number at the bottom of the page

When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call Member Services at the number at the bottom of the page if you have questions.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help. For information, call the Minnesota Department of Human Services at 651-431-2414 or 800-657-3761, (TTY 711).

Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of the state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to receive assistance for information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Minnesota Department of Human Services at 651-431-2414 or 800-657-3761, (TTY 711).

L3. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January- December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn’t save you money or lower your drug costs. If you’re participating in the Medicare Prescription Payment Plan and stay in the same plan, you don’t need to do anything to continue this option.** “Extra Help” from Medicare and help from your ADAP, for those who qualify, is more advantageous than participation in this payment option, no matter your income level, and plans with drug coverage must offer this payment option. To learn more about this payment option, call Member Services at the phone number at the bottom of the page or visit www.medicare.gov.

A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state, as appropriate. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and Medical Assistance. This includes behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Benefits Chart in **Chapter 4** of this *Member Handbook*.
- Medically necessary care is appropriate for your condition. This includes care related to physical conditions and mental health. It includes the kind and level of services. It includes the number of treatments. It also includes where you get the services and how long they continue. Medically necessary services must:
 - » be the services that other providers would usually order.
 - » help you get better or stay as well as you are.
 - » help stop your condition from getting worse.
 - » help prevent and find health problems.
- **You must get your care from network providers** (for more information go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for the services provided. Here are some cases when this rule doesn't apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more information, go to **Section H** in this chapter).
 - If you need care that our plan covers and our network providers can't give it to you, you can get the care from an out-of-network provider. You may be required to get prior authorization before getting care from an out-of-network provider. In this situation, we cover the care as if you got it from a network provider. For information about getting approval to use an out-of-network provider, go to **Section D4** in this chapter.
 - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible.

- When you first join the plan, you can continue using the providers you use now for up to 120 days for the following reasons:
 - » An acute condition
 - » A life-threatening mental or physical illness
 - » A physical or mental disability defined as an inability to engage in one or more major life activities. This applies to a disability that has lasted or is expected to last at least one year, or is likely to result in death.
 - » A disabling or chronic condition that's in an acute phase
 - » You're receiving culturally appropriate health care services (excluding transportation services) and the plan doesn't have a network provider with special expertise in the delivery of those culturally appropriate health care services.
 - » You don't speak English and the plan doesn't have a network provider who can communicate with you, either directly or through an interpreter.

If your qualified health care provider certifies that you have an expected lifetime of 180 days or less, you may be able to continue to use services for the rest of your life from a provider who is no longer part of our network.

An exception is made for family planning, which is an open access service covered by us through Medical Assistance. Federal and state laws let you choose any provider, even if not in our network, to get certain family planning services. This means by any doctor, clinic, hospital, pharmacy, or family planning office. For more information refer to the "Family Planning Services" section of the Benefits Chart in **Chapter 4**.

C. Your care coordinator

C1. What a care coordinator is

A care coordinator is a person who will meet with and talk to you about your needs and wants. They'll help you develop and coordinate supports and services identified in your care plan. As a local resource, a care coordinator can assist you to identify and access services needed to stay healthy. They can help you make medical or dental appointments and coordinate services following hospitalization.

Care coordination is provided to SeniorCare Complete members by local county social workers and nurses.

C2. How you can contact your care coordinator

The *Introduction to Care Coordination* letter from your care coordinator will include your care coordinator's phone number and address. If you misplace your care coordinator's contact information, call Member Services for that information.

C3. How you can change your care coordinator

If you would like to change your care coordinator, call Member Services and they will process your request.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

D. Care from providers

D1. Care from a primary care clinic (PCC)

You may choose a primary care clinic (PCC) to provide and manage your care.

Definition of a "PCC," and what a PCC does do for you

A primary care clinic (PCC) is the first place you normally go for care, and can provide most of the health care services you need. As our member, you choose your PCC or are assigned one if you don't choose one on enrollment. Using a PCC makes it easier for your care providers to know you and your family, and for you to know them.

Primary care clinics have practitioners that provide primary care. Examples are General Practitioners, Internal Medicine Physicians, Family Practice Physicians, Pediatricians and OB/GYN Physicians.

If you think you need to use another provider or a specialist, your PCC can help you make that decision and even make recommendations. While you don't need a referral to use any provider in our network, consulting your PCC can help you find the services you need and helps them stay informed about your care.

Your choice of PCC

When you become a member of our plan, you must choose a network provider to be your primary care clinic (PCC) from our *Provider and Pharmacy Directory*. Your PCC is a provider who meets state requirements and is trained to give you basic medical care.

If you're assigned a PCC you aren't required to use that PCC, you can choose another PCC as long as they are part of our network.

If you can't find a PCC listing for your area, or have questions, call Member Services.

Option to change your PCC

You can change your PCC for any reason, at any time. It's also possible that your PCC may leave our plan's network. If your PCC leaves our network, we can help you find a new PCC in our network.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- *Oncologists* care for patients with cancer.
- *Cardiologists* care for patients with heart problems.
- *Orthopedists* care for patients with bone, joint, or muscle problems.

You don't need a referral to use a specialist in the plan's network, however, it's recommended you contact your primary care clinic (PCC) and tell them when you are using a different network provider.

If we're unable to find you a qualified plan network provider, we must give you a standing prior authorization for a qualified specialist for any of these conditions:

- a chronic (on-going) condition;
- a life-threatening mental or physical illness;
- a degenerative disease or disability;
- any other condition or disease that's serious or complex enough to require treatment by a specialist.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

If you don't get a prior authorization from us when needed, the bill may not be paid. For more information, call Member Services at the phone number printed at the bottom of this page.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or have visited them within the past three months.
- We help you select a new qualified-in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting the medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. You will need a prior authorization.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

In some cases, the care you get from an out-of-network provider (a provider who's not part of our plan's network) won't be covered. If you need a covered service that you can't get from our network provider, you may need prior authorization from us before using that out-of-network provider. Your doctor and/or authorized representative can help you with this. Call Member Services for more information.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medical Assistance.

- We can't pay a provider who isn't eligible to participate in Medicare and/or Medical Assistance.
- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

E. Long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a SeniorCare Complete member. Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community at an eligible location of your choice. Talk with your care coordinator about accessing these services.

- You must have a Long-Term Care Consultation (LTCC) done and be found to be eligible to get additional services or support. You can request to have this assessment in your home, apartment, or facility where you live.
- If you call to ask for a visit, your care coordinator will meet with you and your family to talk about your care needs.
- Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from EW services, but you must be eligible for EW.

Call Member Services to get more information on how to access these services.

F. Behavioral health (mental health and substance use disorder) services

If you have a condition or problem that requires behavioral health services contact Member Services or your care coordinator. They can help you find the care that is right for you, and inform you if a service requires prior authorization (approval in advance of getting the service).

G. Transportation services

If you need transportation to and from health services that we cover, call your care coordinator or Member Services at the number on the bottom of the page. We'll provide the most appropriate and cost-effective transportation. We aren't required to provide transportation to your primary care clinic if it's over 30 miles from your home or if you choose a specialty provider that's more than 60 miles from your home. Call Member Services if you don't have a primary care clinic that's available within 30 miles of your home and/or if it's over 60 miles to your specialty provider.

If eligible, you can use these two non-emergency medical transportation services:

- Unassisted Transportation Services – Also known as common carrier and includes volunteer drivers, buses, taxis, and other commercial carriers.
- Assisted Transportation Services – For people who have a physical or mental impairment and aren't able to safely use unassisted transportation services. The driver provides direct assistance to help members get into and out of a vehicle, as well as to and from their appointment. Assisted transportation also includes ambulatory, wheelchair, and stretcher services.

H. Covered services in a medical emergency, when urgently needed, or during a disaster

H1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need approval or a referral from your PCC. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. Call the Member Services number listed at the bottom of this page or on the back of your Member ID Card.

Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*. **Our plan does not cover emergency medical care that you get outside the United States and its territories.**

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider, **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

H2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider, **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

You can get urgently needed care at urgent care/acute care centers. (They're some times called *same day clinics*.)

- Urgent care/acute care centers in our plan's network are shown in the Provider Search and listed in the *Provider and Pharmacy Directory*. The Provider Search and directory may be found on our website at www.mnscha.org.

You can also call the 24 Hour nurse advice line at the toll-free number on the back of your ID card. They're available 7 days a week, 24 hours a day, for help deciding what kind of care you need.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan doesn't cover urgently needed care or any other care that you get outside the United States and its territories.

H3. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster:

www.mnscha.org > Programs > Medicare Programs > SeniorCare Complete > Getting Care During a Disaster.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Please refer to **Chapter 5** of this *Member Handbook* for more information.

I. What if you're billed directly for covered services

We don't allow SeniorCare Complete providers to bill you for these services. We pay our providers directly, and we protect you from any charges.

If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7, Section B**, of this *Member Handbook* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

I1. What to do if our plan doesn't cover services

Our plan covers all services:

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself.**

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9, Section E, of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

J. Coverage of health care services in a clinical research study

J1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care clinic. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you'll take part in a clinical trial.

J2. Payment for services when you're in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most services and items and services you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. K. How your health care services are covered in a religious non-medical health care institution

K1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

K2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
 - » You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - » You must get approval from us before you're admitted to the facility or your stay **won't** be covered.

Medicare Inpatient Hospital coverage limits apply (please refer to the Benefit Chart in **Chapter 4** of this *Member Handbook*).

L. Durable medical equipment (DME)

L1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually won't own the rented DME items, no matter how long you rent it.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the phone number at the bottom of the page for more information.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment

L2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan.

L3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

L4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you will rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to 5 years if medically necessary

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier
- A new 5-year period begins
- You rent from a supplier for 36 months
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

Chapter 4: Benefits Chart

This chapter tells you about the services our plan covers and any restrictions or limits on those services. It also tells you about benefits not covered under our plan. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

A. Your covered services

This chapter tells you what services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*.

Because you get help from Medical Assistance, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3, Section B**, of this *Member Handbook* for details about our plan's rules.

If you need help understanding what services are covered, call your care coordinator or Member Services at the number at the bottom of this page.

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7, Section A**, of this *Member Handbook* or call Member Services.

C. About our plan's Benefits Chart

The benefits chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met. You **don't** pay anything for the service listed in the Benefits Chart, as long as you meet the coverage requirements described below.

- We provide Medicare and Medical Assistance covered services according to the rules set by Medicare and Medical Assistance.
- The services (including medical care, behavioral health and substance use services, supplies, long-term services and supports, supplies, equipment, and drugs) must be "medically necessary". Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice
- Medically necessary care is appropriate for your condition. This includes care related to physical conditions and behavioral health (including Mental Health and Substance Use Disorder). It includes the kind and level of services. It includes the number of treatments. It also includes where you get the services and how long they continue. Medically necessary services must:
 - be the services, supplies, and drugs other providers would usually order.
 - help you get better or stay as well as you are.
 - help stop your condition from getting worse.
 - help prevent and find health problems.
- For new members for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

urgently needed care, or unless your plan or a network provider gave you a referral. **Chapter 3, Section D**, of this *Member Handbook* has more information about using network and out-of-network providers.

- If a provider you choose is no longer in our plan network, you must choose another plan network provider. You may be able to continue to use services from a provider who is no longer a part of our plan network for up to 120 days for the following reasons:
 - An acute condition.
 - A life-threatening mental or physical illness.
 - A physical or mental disability defined as an inability to engage in one or more major life activities. This applies to a disability that has lasted or is expected to last at least one year, or is likely to result in death.
 - A disabling or chronic condition that's in an acute phase.
 - If your qualified health care provider certifies that you have an expected lifetime of 180 days or less, you may be able to continue to use services for the rest of your life from a provider who is no longer part of our network.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with an asterisk (*) If we provide approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.
- All preventive services are free. This apple  shows the preventive services in the benefits chart.

C1. Restricted Recipient Program

- The Restricted Recipient Program is for members who've misused health services. This includes getting health services that members didn't need, using them in a way that costs more than they should, or using them in a way that may be dangerous to a member's health. SeniorCare Complete will notify members if they're placed in the Restricted Recipient Program.
- If you're in the Restricted Recipient Program, you must get health services from one designated primary care provider, one clinic, one hospital used by the primary care provider, and one pharmacy. SeniorCare Complete may designate other health care providers. You may also be assigned to a home health agency. You won't be allowed to use the personal care assistance choice or flexible use options or consumer directed services. You won't be able to use the Community First Services and Supports (CFSS) budget model.
- You'll be restricted to these designated health care providers for at least 24 months of eligibility for Minnesota Health Care Programs (MHCP). All referrals to specialists must be from your primary care provider and received by the SeniorCare Complete Restricted Recipient Program. Restricted recipients may not pay out-of-pocket to use a non-designated provider who is the same provider type as one of their designated providers.
- Placement in the program will stay with you if you change health plans. Placement in the program will also stay with you if you change to MHCP fee-for-service. You won't lose eligibility for MHCP because of placement in the program.
- At the end of the 24 months, your use of health care services will be reviewed. If you still misused health services, you'll be placed in the program for an additional 36 months of eligibility.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- You have the right to appeal placement in the Restricted Recipient Program. You must file an appeal within 60 days from the date on the notice from us. You must appeal within 30 days to prevent the restriction from being implemented during your appeal. You may request a State Appeal (Fair Hearing with the state) after receiving our decision that we will enforce the restriction. Refer to **Chapter 9**, for more information about your right to appeal.
- The Restricted Recipient Program doesn't apply to Medicare-covered services. If you use opioid medications that you get from several doctors or pharmacies, we may talk to your doctors to make sure your use is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications isn't safe, we may limit how you can get those medications. Refer to **Chapter 5, Section G3**, for more information.

F. Benefits not covered by our plan, Medicare, or Medical Assistance

This section tells you what kinds of benefits are excluded by the plan. "Excluded" means that we don't pay for these benefits. Medicare and Medical Assistance don't pay for them either.

The list below describes some services and items that are not covered by us under any conditions and some that are excluded by us only in some cases.

We don't pay for excluded medical benefits listed in this section (or anywhere else in this Member Handbook) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won't pay for the services. If you think that our plan should pay for a service that isn't covered, you can request an appeal. For information about appeals, refer to **Chapter 9, Section E**, of this *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, **our plan doesn't cover the following items and services:**

- services considered not "reasonable and medically necessary", according Medicare and Medical Assistance standards, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that aren't generally accepted by the medical community.

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy. They include drugs covered under Medicare Part D and Medical Assistance. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section F3** "If you're in a Medicare-certified hospice program".

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section. If a drug is a Part D drug, it can't be covered under the Medical Assistance benefit.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP).

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists.

You generally must use a network pharmacy to fill your prescription. (Refer to **Section A1** for more information)

Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "*Drug List*" for short. (Refer to **Section B** of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9, Section G2**, of this *Member Handbook* to learn about asking for an exception.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug.

Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to **Section C** in this chapter.)

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your care coordinator.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7, Section A**, of this *Member Handbook*.
- If you need help getting a prescription filled, you can contact Member Services or your care coordinator.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network, or you have any difficulty getting your drugs in a long-term care facility, contact Member Services.

- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

Our plan **doesn't** offer mail-order services.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition. When you get a long-term supply of drugs, your copay may be lower.

Some network pharmacies allow you to get a long-term supply of some maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory*, tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call your care coordinator or Member Services for more information.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you're not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with your care coordinator or Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- You're traveling and run out of or lose your covered Part D drug(s), become ill and need a covered Part D drug and can't access a network pharmacy;
- You can't obtain a covered Part D drug in a timely manner from a network pharmacy (e.g., there is no network pharmacy within a reasonable driving distance that provides 24 hour/7 days a week service);
- You need a covered Part D drug that's not regularly stocked at an accessible network pharmacy;
- You have a covered Part D drug dispensed by an out-of network pharmacy while you're a patient in an emergency department, provider-based clinic, outpatient surgery, or other outpatient setting; **or**
- You're displaced from your place of residence during a Federal disaster and can't reasonably obtain covered Part D drugs at a network pharmacy.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

To learn more about this, refer to **Chapter 7, Section A**, of this *Member Handbook*.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

NOTE: If the drug is covered by Medical Assistance, we don't allow SeniorCare Complete providers to bill you for these drugs. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges. If you paid for a drug that you think we should've covered, contact Member Services at the number at the bottom of this page.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the "*Drug List*" for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our *Drug List* includes the drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under Medical Assistance.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to "drugs," this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generics and biosimilars work just as well as brand name drugs or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Visit our plan's website at www.mnscha.org. The *Drug List* on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Use our "Real Time Benefit Tool" at www.mnscha.org to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call your care coordinator or Member Services.
- Use the **Find A Drug** search tool on the plan's website www.mnscha.org.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- Some drugs aren't on our *Drug List* because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn't on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9, Section E**, of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D and Medical Assistance drugs) can't pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.
2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Medical Assistance can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction
- Outpatient drugs made by a company that says you must have tests or services done only by them

B4. *Drug List* cost-sharing tiers

Every drug on our *Drug List* is in one of three tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or OTC drugs). What you pay for a drug on the *Drug List* depends on whether the drug is a generic or brand name drug. Tier 1 generic drugs have the lowest copay. Tier 1 brand name drugs have a higher copay. Over-the-counter drugs and products have a \$0 copay.

To find out which tier your drug is in, refer to the drug on our *Drug List*.

Chapter 6 of this *Member Handbook* tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

1. Limiting use of a brand-name drug or original biological product when a generic or interchangeable biosimilar version is available

Generally, a generic drug **or interchangeable biosimilar** works the same as a brand-name drug or original biological product and usually costs less. If there's a generic **or interchangeable biosimilar** version of a brand-name drug or original biological product available, our network pharmacies give you the generic **or interchangeable biosimilar** version.

- We usually don't pay for the brand-name drug or original biological product when there's an available generic or interchangeable biosimilar version.
- However, if your provider told us the medical reason that the generic or interchangeable biosimilar drug won't work for you, **or** wrote "No substitutions" on your prescription for a brand name drug or original biological product, **or** told us the medical reason that the generic or interchangeable biosimilar drug or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.
- Your copay may be greater for the brand name drug or original biological product than for the generic drug **or interchangeable biosimilar**

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at www.mnscha.org for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A **doesn't** work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at www.mnscha.org for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at www.mnscha.org. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you would like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:

- is no longer on our *Drug List*, **or**
- was never on our *Drug List*, **or**
- is now limited in some way.

2. You must be in one of these situations:

- You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- For those members who have been in the plan and are admitted to or discharged from a long-term care (LTC) facility: Circumstances exist in which unplanned transitions for current members could arise and in which prescribed drug regimens may not be on the formulary. These circumstances usually involve level of care changes in which a member is changing from one treatment setting to another. For these unplanned transitions, you must use our exceptions and appeals process. Coverage determinations and redeterminations will be processed as expeditiously as your health condition requires.

In order to prevent a temporary gap in care when you're discharged to home, you're permitted to have a full outpatient supply available to continue therapy once their limited supply provided at discharge is exhausted. This outpatient supply is available in advance of discharge from a Part A stay. When you're admitted to or discharged from an LTC facility, you don't have access to the remainder of the previously dispensed prescription. We'll ensure you have a refill upon admission or discharge.

A one-time override of the "refill too soon" edits are provided for each medication which would be impacted due to you being admitted to or discharged from an LTC facility. Early refill edits aren't used to limit appropriate and necessary access to your Part D benefit and you're allowed to access a refill upon admission or discharge.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that's not on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

D3. Asking for an exception

If a drug you take will be taken off our *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9, Section G2**, of this *Member Handbook*.

If you need help asking for an exception, contact Member Services or your care coordinator.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- **Replace an original biological product with an interchangeable biosimilar version of the biological product.**

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that was covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at www.mnscha.org **or**
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug **will** stay the same or will be lower.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.

Removing unsafe drugs and other drugs that are taken off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. When you get our notice, contact your prescriber to work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9, Section G2**, of this *Member Handbook*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking, increase what you pay for the drug, or limit its use, then the change doesn't affect your use of the drug or what you pay for the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you about these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of this *Member Handbook*.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*). The call is free. **For more information**, visit www.mnscha.org.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4, Section E**, of this *Member Handbook* for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have any questions about these programs, contact Member Services or your care coordinator.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

- Requiring you to get all prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9, Section E**, of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

Chapter 6: What you pay for your Medicare and Medical Assistance drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medical Assistance, **and**

Because you’re eligible for Medical Assistance, you get “Extra Help” from Medicare to help pay for your Medicare Part D drugs. We sent you a separate insert, called the “*Member Handbook Rider for People Who Get Extra Help Paying for Prescription Drugs*” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the *Drug List*. It tells you:
 - » which drugs we pay for
 - » which of the 3 tiers each drug is in
 - » if there are any limits on the drugs
 - If you need a copy of the *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at www.mnscha.org.
- **Chapter 5** of this *Member Handbook*.
 - It tells how to get your outpatient drugs through the plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn’t cover.
 - When you use the plan’s “Real Time Benefit Tool” to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the out-of-pocket costs you’re expected to pay. You can call your care coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
 - The *Provider and Pharmacy Directory* has a list of network pharmacies. Refer to **Chapter 5, Section A**, of this *Member Handbook* for more information about network pharmacies.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take.

The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and the total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives**. When applicable, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to our *Drug List*. In addition to the drugs covered under Medicare, some prescription and over-the-counter drugs are covered under Medical Assistance. These drugs are included in the *Drug List*.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

B1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

B2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for our share of the cost of the drug.

Here are examples of when you should give us copies of your receipts:

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7, Section A**, of this *Member Handbook*.

B3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

B4. Check the EOBs we send you.

When you get an EOB in the mail, please make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at SeniorCare Complete Member Services.

What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at SeniorCare Complete Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.

If you think something is wrong or missing, or if you have any questions, call Member Services. Keep these EOBs. They're an important record of your drug expenses.

C. Drug Payment Stages for Medicare Part D drugs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

Stage 1: Initial Coverage Stage	Stage 2: Catastrophic Coverage Stage
During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin in this stage when you fill your first prescription of the year.	During this stage, we pay all of the costs of your drugs through December 31st, 2026 . You begin this stage when you've paid a certain amount of out-of-pocket costs.

C1. Our plan has three cost sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our *Drug List* is in one of our cost-sharing tiers. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

- Tier 1 Generic drugs have the lowest copay. They may be generic drugs or non-Medicare drugs that are covered by Medical Assistance. The copay is from \$0 to \$5.10, depending on your income.
- Tier 1 Brand name drugs have a higher copay. The copay is from \$0 to \$12.65, depending on your income.
- Over the counter (OTC) drugs have a \$0 copay.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5, Section A**, of this *Member Handbook* to find out when we do that.

Refer to **Chapter 9** of this *Member Handbook* to learn about how to file an appeal if you're told a drug won't be covered. To learn more about these pharmacy choices, refer to **Chapter 5** of this *Member Handbook* and our *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Member Handbook* or our *Provider and Pharmacy Directory*.

C4. What you pay

You may pay a copay when you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Member Services to find out how much your copay is for any covered drug.

Your share of the cost when you get a *one-month* or *long-term* supply of a covered drug from:

	A network pharmacy A one-month or up to a 90-day supply for some medications.	A network long-term care pharmacy Up to a 31-day supply.	An out-of-network pharmacy Up to a 30-day supply. Coverage is limited to certain cases. Refer to Chapter 5 of this <i>Member Handbook</i> for details.

D. Stage 1: The Initial Coverage Stage

During the Initial Coverage Stage, we pay a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier the drug is in and where you get it.

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's Drug List is in one of our cost-sharing tiers. To find the cost-sharing tier for your drugs, refer to our Drug List.

D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,100. At that point, the Catastrophic Coverage Stage begins. We cover all of your drug costs from then until the end of the year.

Your EOB helps you keep track of how much you’ve paid for your drugs during the year. We let you know if you reach the \$2,100 limit. Many people don’t reach it in a year.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

E. Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of \$2,100 for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.60. This means that the amount you pay per day for your drug is less than \$0.06 per day. If you get a 7 days' supply of the drug, your payment is less than \$0.06 per day multiplied by 7 days, for a total payment less than \$0.42.
- Daily cost sharing allows you to make sure a drug works for you before you have to pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug if this will help you:
 - better plan when to refill your drugs,
 - coordinate refills with other drugs you take, **and**
 - take fewer trips to the pharmacy.

G. What you pay for Part D vaccines

Important Message About What You Pay for Vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of the vaccine itself.
2. The second part is for the cost of giving you the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

G1. What you need to know before you get a vaccine

We recommend that you call Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

Chapter 7: Asking us to pay our share of a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you don't agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

Table of Contents

- A. Asking us to pay for your services or drugs102
- B. Sending a request for payment104
- C. Coverage decisions104
- D. Appeals105

A. Asking us to pay for your services or drugs

Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow SeniorCare Complete providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for the full cost of health care services or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to **Section B**.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid the bill more than your share of the cost, it's your right to be paid back.
 - » If you paid for services covered by Medicare, we'll pay you back.
 - » If you paid for services covered by Medical Assistance we can't pay you back, but the provider will. Member Services or your care coordinator can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we don't cover the services or drugs, we'll tell you.

Contact Member Services or your care coordinator if you have any questions. If you don't know what you should've paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

NOTE: If a service is covered by Medical Assistance, we don't allow SeniorCare Complete providers to bill you for these services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges. If you paid for a service that you think we should've covered, contact Member Services at the number at the bottom of this page.

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - » If the provider should be paid, we'll pay the provider directly.
 - » If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes, and ask you to pay for your services or more than your share of the costs. **Call Member Services** at the number at the bottom of this page **if you get any bills**.

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full prescription cost because you do not have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or refer to your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - » If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9, Section G4**, of this *Member Handbook*).
 - » If you and your doctor or other prescriber think you need the drug right away (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9, Section G4**, of this *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber in order to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9, Section G5**, of this *Member Handbook*.

B. Sending a request for payment

We don’t allow SeniorCare Complete providers to bill you for services. We pay our providers directly, and we protect you from any charges.

You shouldn’t pay the bill yourself. Send us the bill. You can also ask your care coordinator for help. Refer to **Section A** of this chapter or **Chapter 9, Section F5**.

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It’s a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help.

If you are requesting payment for a prescription drug, you can fill out our prescription claim form to make your request for payment.

- You aren’t required to use the form, but it helps us process the information faster.
- You can get the prescription claim form on our website www.mnscha.org, or you can call Member Services and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

South Country Health Alliance
6380 W Frontage Rd
Medford, MN 55049
Or, Fax to:
1-507-431-6328

C. Coverage decisions

When we get your request for payment, we will make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We’ll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we’ll pay for it. If you already paid for the service or drug, we’ll mail you a check for what you paid **or** our share of the cost. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven’t paid, we’ll pay the provider directly.

Chapter 3, Section B, of this *Member Handbook* explains the rules for getting your service covered. **Chapter 5, Section A**, of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we’ll send you a letter with the reasons. The letter also explains your rights to make an appeal.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- To learn more about coverage decisions, refer to **Chapter 9, Section E**.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.” You can also make an appeal if you don’t agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to page **Section G**.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the “Notice of Privacy Practice.”

C1. How we protect your PHI

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don’t give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don’t need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan’s quality of care.
- We must release PHI by court order.
- We must give Medicare your PHI, including information about your Medicare Part D drugs. If Medicare releases your PHI for research or other uses, they do it according to federal laws.
- We, and the health providers who take care of you, have the right to look at information about your health care. When you enrolled in the Minnesota Health Care Program, you gave your consent for us to do this. We’ll keep this information private according to law.

- You have the right to know if and how your PHI has been shared with others for any purposes that aren’t routine.

If you have questions or concerns about the privacy of your PHI, call Member Services.

D. Our responsibility to give you information

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we won't drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider has denied care that you think you should get.
- **Ask us to cover a service or drug that was denied or usually don't cover.** This is called a coverage decision. Chapter 9, Section E, of this *Member Handbook* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to **giving someone the right to make health care decisions for you** if you can't make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advance directive". There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to use an advance directive, but you can. Here is what to do if you want to use an advance directive:

- **Get the form.** You can get a form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. Minnesota Aging Pathways is an organization that gives people information about Medicare or Medical Assistance, including resources for getting a form at www.MinnesotaHelp.info. You can also contact Member Services to ask for the form.
- **Fill it out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.

- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may also want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have signed an advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.
- Remember, it's your choice to fill out an advance directive or not.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the Office of Health Facility Complaints at the Minnesota Department of Health at 651-201-4201, or toll-free at 1-800-369-7994.

H. Your right to make complaints and to ask us to reconsider decisions

Chapter 9 of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

If you think we treated you unfairly – and it **isn't** about discrimination for reasons listed in **Chapter 11** of this *Member Handbook* – or you want more information about your rights, you can call:

- **Member Services.**
- **Minnesota Aging Pathways program** at 1-800-333-2433. For more details about Minnesota Aging Pathways, refer to **Chapter 2, Section F**, of this *Member Handbook*.

- **Read this *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - Covered services, refer to **Chapters 3 and 4** of this *Member Handbook*. Those chapters tell you what's covered, what isn't covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to **Chapters 5 and 6** of this *Member Handbook*.
- **Tell us about any other health or drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage
- **Tell your doctor and other health care providers** that you're a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Establish a relationship with a plan network primary care doctor before you become ill. This helps you and your primary care doctor understand your total health condition.
 - Make sure your doctors and other providers know about all the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Practice preventive health care. Have tests, exams, and shots recommended for you based on your age and gender.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and other provider offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most SeniorCare Complete members, Medical Assistance pays for your Medicare Part A premium and for your Medicare Part B premium.
 - For some of your drugs covered by our plan, you must pay your share of the cost when you get the drug. This will be a copay. **Chapter 6** tells what you must pay for your drugs.
 - **If you get any services or drugs that aren't covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9, Section E**, to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call your care coordinator or Member Services.
 - **If you move *outside* of our service area, you can't stay our plan.** Only people who live in our service area can be members of this plan. **Chapter 1, Section D**, of this *Member Handbook* refers to our service area.

- We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or drug plan in your new location. We can tell you if we have a plan in your new area.
- Tell Medicare and Medical Assistance your new address when you move. Refer to **Chapter 2** of this *Member Handbook*, for phone numbers for Medicare and Medical Assistance.
- **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the Minnesota Aging Pathways

You can call the Minnesota Aging Pathways. Minnesota Aging Pathways counselors can answer your questions and help you understand what to do about your problem. Minnesota Aging Pathways isn’t connected with us or with any insurance company or health plan. Minnesota Aging Pathways has trained counselors in every county, and services are free. Minnesota Aging Pathways phone number is 1-800-333-2433 or TTY MN Relay 711, or use your preferred relay service. These calls are free. Visit the Minnesota Aging Pathways website at <https://mn.gov/board-on-aging/direct-services/aging-pathways>.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help and information from the Ombudsperson for Public Managed Health Care Programs

If you need help, you can always call the Ombudsperson for Public Managed Health Care Programs. The Ombudsperson for Public Managed Health Care Programs can answer your questions and help you understand

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

what to do to handle your problem. Refer to **Chapter 2, Section J**, for more information on ombudsman programs.

The Ombudsperson for Public Managed Health Care Programs isn’t connected with us or with any insurance company or health plan. They can help you understand which process to use. The phone number for the Ombudsperson for Public Managed Health Care Programs is 651-431-2660 or 1-800-657-3729 or TTY MN Relay 711 or use your preferred relay service. The services are free.

C. Understanding Medicare and Medical Assistance complaints and appeals in our plan

You have Medicare and Medical Assistance. Information in this chapter applies to **all** your Medicare and Medical Assistance benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Medical Assistance processes.

Sometimes Medicare and Medical Assistance processes can’t be combined. In those situations, you use one process for a Medicare benefit and another process for a Medical Assistance benefit. **Section F4** explains these situations

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they’re covered, and problems about payment for medical care.	
Yes. My problem is about benefits or coverage. Refer to Section E: “Coverage decisions and appeals” .	No. My problem isn’t about benefits or coverage. Refer to Section K: “How to make a complaint” .

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Part B drugs as **medical care**.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4, Section F**, of this *Member Handbook*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we’ll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Medical Assistance. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, **Section F2**, you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medical Assistance service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medical Assistance, the letter will give you information regarding both types of Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the number at the bottom of this page.
- Call the **State Health Insurance Assistance Program (SHIP)** for free help. The SHIP is an independent organization. It isn't connected with this plan. In Minnesota the SHIP is called **Minnesota Aging Pathways**. The phone number is 1-800-333-2433 or TTY MN Relay 711, or use your preferred relay service. These calls are free.
- Call the **Ombudsperson for Public Managed Health Care Programs** for free help. The Ombudsperson for Public Managed Health Care Programs helps people enrolled in Medical Assistance with service or billing problems. The phone number is 651-431-2660 or 1-800-657-3729 or TTY MN Relay 711, or use your preferred relay service.
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your "representative" and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you aren't required to have a lawyer** to ask for a coverage decision or make an appeal.
 - Call your own lawyer or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care, behavioral health and long-term care services” on this page below.
- **Section G**, “Medicare Part D drugs”.
- **Section H**, “Asking us to cover a longer hospital stay”.
- **Section I**, “Asking us to continue covering certain medical services”. (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page.

If you need other help or information, please call the Ombudsperson for Public Managed Health Care Programs at 651-431-2660 or 1-800-657-3729 or TTY MN Relay 711 or use your preferred relay service.

F. Medical care, behavioral health and long-term care services

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for your care.

This section is about your benefits for medical care that’s described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren’t getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn’t approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won’t pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F3**.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **"integrated organization determination."**

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: 1-866-567-7242. TTY: 1-800-627-3529 or 711.
- Faxing: 1-507-431-6328
- Writing: Member Services
South Country Health Alliance
6380 W Frontage Rd.
Medford, MN 55049

Standard coverage decision

When we give you our decision, we use the "standard" deadlines unless we agree to use the "fast" deadlines. A standard coverage decision means we give you an answer within:

- **7 calendar days** after we get your request **for a medical service or item that is subject to our prior authorization rules.**
- **14 calendar days** after we get your request **for all other medical services or items.**
- **72 hours** after we get your request **for a Medicare Part B drug.**

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a "fast complaint" about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

Fast coverage decision

The legal term for "fast coverage decision" is **"expedited determination."**

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a "fast coverage decision." A fast coverage decision means we'll give you an answer within:

- **72 hours** after we get your request **for a medical service or item.**
- **24 hours** after we get your request **for a Medicare Part B drug.**

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we'll tell you in writing. **We can't take extra time if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days to make the coverage decision, you can make a "fast complaint" about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We'll call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You're asking for coverage for medical items and/or services that you **didn't get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you'll go on to Level 1 of the appeals process (refer to **Section F3** below).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so, **or**
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at 1-866-567-7242. For additional details on how to reach us for appeals, refer to **Chapter 2, Section A**.

Ask for a standard appeal or a fast appeal in writing or by calling us at 1-866-567-7242 or TTY 711. The call is free.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.mnscha.org > Programs > Medicare Advanage Programs > What is SeniorCare Complete > Coverage Decisions, Appeals and Complaints.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for "fast appeal" is "**expedited reconsideration**."

- If you appeal a decision we made about coverage for care; you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast appeal.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.

- If you meet this deadline, you'll get the service or item with no changes while your Level 1 appeal is pending.
- You'll also get all other services or items (that aren't the subject of your appeal) with no changes.
- If you don't appeal before these dates, then your service or item won't be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter **Section F4**, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medical Assistance service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Minnesota a Fair Hearing is called a State Appeal.
- **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter **Section F4**, we tell you about this organization and explain the Level 2 appeals process. If your problem is about

coverage of a Medical Assistance service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Minnesota a Fair Hearing is called a State Appeal.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7 calendar days** if your request is for a Medicare Part B drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a Medical Assistance service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Medical Assistance, or both programs usually cover the service or item.

- If your problem is about a service or item that Medicare usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that Medical Assistance usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and Medical Assistance** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Medical Assistance, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**", sometimes called the "**IRE**".

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO take extra time to make a decision if your request is for a Medicare Part B drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service**, we must:
 - Authorize the medical care coverage **within 72 hours**, or
 - Provide the service within **14 calendar days** after we get the IRO's decision for **standard requests**, or
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says Yes to part or all of a request for a Medicare Part B drug, we must authorize or provide the Medicare Part B drug under dispute:**
 - **within 72 hours** after we get the IRO's decision for **standard requests**, or
 - **within 24 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says No to part or all of your appeal**, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medical Assistance usually covers, or that's covered by both Medicare and Medical Assistance

A Level 2 Appeal for services that Medical Assistance usually covers is a Fair Hearing with the state. In Minnesota a Fair Hearing is called a State Appeal. You must ask for a Fair Hearing in writing or by phone **within 120 calendar**

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

days of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

You must ask for a State Appeal within 120 days of the date of the plan's appeal decision.

Mail, fax, or submit your written request to:

Minnesota Department of Human Services
Appeals Office
P.O. Box 64941
St. Paul, MN 55164-0941

Fax: 651- 431-7523

Online Appeal Form:

edocs.dhs.state.mn.us/lfserver/Public/DHS-0033-ENG

A Human Services Judge from the State Appeals Office will hold the hearing. Your meeting will be by telephone unless you ask for a face-to-face meeting. During your hearing, tell the Judge why you disagree with the decision made by the plan. You can ask a friend, relative, advocate, provider, or lawyer to help you.

The process can take between 30 and 90 days. If your hearing is about an urgently needed service and you need an answer faster, tell the State Appeals Office when you file your hearing request. If your hearing is about a medical necessity denial, you may ask for an expert medical opinion from an outside reviewer. There's no cost to you.

If you need help at any point in the process, call the Ombudsperson for Public Managed Health Care Programs at 651-431-2660 or 1-800-657-3729 or TTY MN Relay 711 or use your preferred relay service.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problem

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for prescription drugs.

We can't reimburse you directly for a Medical Assistance service or item. If you get a bill for Medical Assistance covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from that health care provider if you followed the rules for getting services or item.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

If you want us to reimburse you for a **Medicare** service or item or you're asking us to pay a health care provider for a Medical Assistance service or item you paid for, you'll ask us to make this a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage. For more information, refer to **Chapter 7** of this *Member Handbook*.

- If the service or item you paid for is covered and you followed all the rules, we'll send your provider the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request. Your provider will then send the payment to you.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you didn't follow all the rules, we'll send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Medical Assistance usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Medical Assistance may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Medical Assistance, follow the process in **Section E**.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's Drug List or

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan’s Drug List but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can’t be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination.**”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?			
You need a drug that isn’t on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our <i>Drug List</i> , and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won’t cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2 , then refer to Sections G3 and G4 .	Refer to Section G4 .	Refer to Section G4 .	Refer to Section G5 .

G2. Medicare Part D exceptions

If we don’t cover a drug in the way you would like, you can ask us to make an “exception.” If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our Drug List or for removal of a restriction on a drug is sometimes called asking for a “**formulary exception.**”

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn’t on our *Drug List*

- If we agree to make an exception and cover a drug that is not on our *Drug List*, you pay the copay that applies for brand name drugs.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
 - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally **don't** approve your exception request.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling 1-866-567-7242 or TTY 711, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a “fast coverage decision.”

We use the “standard deadlines” unless we agree to use the “fast deadlines.”

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor’s statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor’s statement.

A “fast coverage decision” is called an **“expedited coverage determination.”**

You can get a fast coverage decision if:

- It’s for a drug you didn’t get. You can’t get a fast coverage decision if you’re asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn’t meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor’s supporting statement. We give you our answer sooner if your health requires it.
- If we don’t meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor’s supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn’t get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor’s supporting statement. We give you our answer sooner if your health requires it.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. - If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan **"redetermination"**.

- Start your **standard** or **fast appeal** by calling 1-866-567-7242 or TTY 711, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal" is also called an **"expedited redetermination."**

- If you appeal a decision we made about a drug you didn't get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
 - We give you our answer sooner if your health requires it.
 - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
 - If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the “Independent Review Organization” (IRO) is the “**Independent Review Entity**”, sometimes called the “**IRE**”.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file”. **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within 7 calendar days** after they get your appeal for a drug you didn’t get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO’s decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO’s decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal”.

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can’t make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- Visit www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In Minnesota, the QIO is Commence Health. Call them at 1-888-524-9900 (TTY: 711 or your preferred relay). Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call Minnesota Aging Pathways at 1-800-333-2433 or TTY MN Relay 711.

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for "fast review" is "**immediate review**" or "**expedited review.**"

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that's the right discharge date that's medically appropriate for you.

The legal term for this written explanation is the "**Detailed Notice of Discharge.**" You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227). (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

If the QIO says **Yes** to your appeal:

- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-524-9900 (TTY: 1-888-985-8775).

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice only shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call Member Services at the numbers at the bottom of the page.
 - Call Minnesota Aging Pathways at 1-800-333-2433 or TTY MN Relay 711.
- **Contact the QIO.**
 - Refer to **Section H2** or refer to **Chapter 2** of this *Member Handbook* for more information about the QIO and how to contact them.
 - Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a "fast-track appeal."** Ask the QIO if it's medically appropriate for us to end coverage of your medical services.

Your deadline for contacting this organization

- You must contact the QIO to start your appeal by noon of the day before the effective date on the "Notice of Medicare Non-Coverage" we sent you.

The legal term for the written notice is "**Notice of Medicare Non-Coverage**". To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or get a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI/FFS-Expedited-Determination-Notices.

What happens during a fast-track appeal

- Reviewers at the QIO ask you or your representative why you think coverage should continue. You aren't required to write a statement, but you may.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is “**Detailed Explanation of Non-Coverage**”.

- Reviewers tell you their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

- We'll provide your covered services for as long as they're medically necessary.

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.
- We stop paying the costs of this care on the date in the notice.
- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends
- You decide if you want to continue these services and make a Level 2 Appeal.

13. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-524-9900 (TTY: 1-888-985-8775).

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We pay you back for the costs of care you got since the date when we said your coverage would end.
- We'll provide coverage for the care for as long as it's medically necessary.

If the QIO says **No** to your appeal:

- They agree with our decision to end your care and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that's favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.
 - If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.
- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.

- If we decide **to appeal** the decision, we'll tell you in writing.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the Council's decision.

If the Council says **No** or denies our review request, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

J2. Additional Medical Assistance appeals

You also have other appeal rights if your appeal is about services or items that Medical Assistance usually covers. The letter you get from the State Appeal Hearing office will tell you what to do if you want to continue the appeals process.

If you disagree with the ruling from the State Appeal process, you may appeal to the District Court in your county by calling the county clerk. You have 30 days to file an appeal with District Court.

A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Medical Assistance, you have some choices to end your membership with our plan any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Medical Assistance or Extra Help has changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1** of this chapter.
- Medical Assistance services in **Section C2** of this chapter.

You can get more information about how you can end your membership by calling the number at the bottom of page.

- Member Services at the number at the bottom of this page. The number for TTY users is listed too.
- Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- The State Health Insurance Assistance Program (SHIP), at 1-800-333-2433, TTY MN Relay 711 users should call 711 or use your preferred relay service. These calls are free. In Minnesota the SHIP program is called Minnesota Aging Pathways.

NOTE: If you're in a drug management program (DMP), you may not be able to change plans. Refer to **Chapter 5** of this *Member Handbook* for information about drug management programs.

B. How to end your membership in our plan

If you decide to end your membership you can enroll in another Medicare plan or switch to Original Medicare. However, if you want to switch from our plan to Original Medicare but you haven't selected a separate Medicare drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- You can make a request in writing to us. Contact Member Services at the number at the bottom of this page if you need more information on how to do this.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. When you call 1-800-MEDICARE, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart in **Section C** of this chapter.
- **Section C** below includes steps that you can take to enroll in a different plan, which will also end your membership in our plan.

Introduction

This chapter includes key terms used throughout this *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Actions: These include:

- Denial or limited authorization of type or level of service
- Reduction, suspension, or stopping of a service that was approved before
- Denial of all or part of a payment or service
- Not providing services in a reasonable amount of time
- Denial of member's request to get services out of network for members living in a rural area with only one health plan.

Activities of daily living (ADL): The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Administrative law judge (ALJ): A judge that reviews a level 3 appeal.

AIDS drug assistance program (ADAP): A program that helps eligible individuals living with HIV/AIDS have access to life-saving HIV medications.

Ambulatory surgical center: A facility that provides outpatient surgery to patients who don't need hospital care and who aren't expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. **Chapter 9** of this *Member Handbook* explains appeals, including how to make an appeal.

Behavioral Health: An all-inclusive term referring to mental health and substance use disorders.

Biological Product: A drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars. (also refer to "Original Biological Product" and "Biosimilar").

Biosimilar: A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (Go to "Interchangeable Biosimilar").

Brand name drug: A prescription drug that's made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies and are generally not available until the patent on the brand name drug has ended.

Care coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information,** visit www.mnscha.org.

Care plan: Refer to “Individualized Care Plan.”

Care team: Refer to “Interdisciplinary Care Team.”

Catastrophic coverage stage: The stage in the Medicare Part D drug benefit where our plan pays all costs of your drugs until the end of the year. You begin this stage when you (or other qualified parties on your behalf) have spent \$2,100 for Part D covered drugs during the year.

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. **Chapter 2** of this *Member Handbook* explains how to contact CMS.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of service, quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance”.

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services

Copay: A fixed amount you pay as your share of the cost each time you get certain drugs. For example, you might pay \$2 or \$5 for a drug.

Cost-sharing: Amounts you have to pay when you get certain drugs. Cost-sharing includes copays.

Cost-sharing tier: A group of drugs with the same copay. Every drug on the List of Covered Drugs (also known as the *Drug List*) is in one of 3 cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services. **Chapter 9** of this *Member Handbook* explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription and over-the-counter (OTC) drugs covered by our plan.

Covered services: The general term we use to mean all the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services our plan covers.

Cultural competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you’re required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month’s supply.

Here is an example: Let’s say the copay for your drug for a full month’s supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7-day supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.

Direct access services: You can use any provider in our plan’s network to get these services. You don’t need a referral or prior authorization before getting services.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Dual eligible special needs plan (D-SNP): Health plan that serves individuals who are eligible for both Medicare and Medical Assistance. Our plan is a D-SNP.

Durable medical equipment (DME): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

Emergency care: Covered services given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

Emergency medical transportation: Ambulance services, including ground and air transportation for an emergency medical condition.

Exception: Permission to get coverage for a drug not normally covered or to use the drug without certain rules and limitations.

Excluded Services: Services that aren't covered by this health plan.

External Quality Review Study: A study about how quality, timeliness and access of care are provided by SeniorCare Complete. This study is external and independent.
