

2021 List of Covered Drugs (Formulary)

SeniorCare Complete (HMO SNP) and AbilityCare (HMO SNP)

Introduction

This document is called the *List of Covered Drugs* (also known as the Drug List). It tells you which prescription drugs and over-the-counter (OTC) drugs are covered by SeniorCare Complete and AbilityCare. The Drug List also tells you if there are any special rules or restrictions on any drugs covered by SeniorCare Complete and AbilityCare. Key terms and their definitions appear in the last chapter of the *Member Handbook or Evidence of Coverage*.

This *List of Covered Drugs* is effective 07/01/2021.

A. Disclaimers

- ❖ SeniorCare Complete (HMO SNP) and AbilityCare (HMO SNP) are health plans that contract with both Medicare and the Minnesota Medical Assistance (Medicaid) programs to provide benefits of both programs to enrollees. Enrollment in SeniorCare Complete and AbilityCare depends on contract renewal.
- ❖ You can always check SeniorCare Complete's and AbilityCare's up-to-date *List of Covered Drugs* online at www.mnscha.org or call Member Services at the number listed at the bottom of this page.
- ❖ You can get this document for free in other formats, such as large print, braille, or audio. Call Member Services at the number listed at the bottom of this page.
- ❖ To make or change a standing request to get this document, now and in the future, in a language other than English or in an alternate format, call Member Services at the number at the bottom of this page.

B. Frequently Asked Questions (FAQ)

Find answers to questions you have about this *List of Covered Drugs*. You can read all of the FAQ to learn more or look for a question and answer.

B1. What prescription drugs are on the List of Covered Drugs? (We call the List of Covered Drugs the “Drug List” for short.)

The drugs on the Drug List in Section C are the drugs covered by SeniorCare Complete and AbilityCare. These drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

- SeniorCare Complete and AbilityCare will cover all medically necessary drugs on the Drug List if:
 - your doctor or other prescriber says you need them to get better or stay healthy, **and**
 - you fill the prescription at a SeniorCare Complete and AbilityCare network pharmacy.
 - SeniorCare Complete and AbilityCare may have additional steps to access certain drugs. See question B4 for more information.

You can also see an up-to-date list of drugs we cover on our website at www.mnscha.org or call Member Services at the number listed at the bottom of this page.

B2. Does the Drug List ever change?

Yes, and SeniorCare Complete and AbilityCare must follow Medicare and Medicaid rules when making changes. We may add or remove drugs on the Drug List during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from SeniorCare Complete and AbilityCare before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, see question B4.

If you are taking a drug that is covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

Questions B3 and B6 have more information on what happens when the Drug List changes.

- You can always check SeniorCare Complete and AbilityCare's current Drug List online at www.mnscha.org.
- You can also call Member Services at the number listed at the bottom of this page to check the current Drug List.

B3. What happens when there is a change to the Drug List?

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or will be lower. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
 - You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please see questions B10-B12 for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. We will also send you a letter telling you that. Show the letter to your doctor or other prescriber and ask them about your next steps.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

When these changes happen, we will

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. He or she can help you decide:

- If there is a similar drug on the Drug List you can take instead or
- Whether to ask for an exception from these changes. Please see questions B10-B12 for more information about exceptions.

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you, your doctor, or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you, your doctor, or other prescriber must get authorization from SeniorCare Complete and AbilityCare before you fill your prescription. Prior authorization means an approval from SeniorCare Complete and AbilityCare to seek services outside of our network or to get services not routinely covered by our network **before** you get the services. Prior authorization is different from a referral. SeniorCare Complete and AbilityCare may not cover the drug if you do not get authorization.
- **Quantity limits:** Sometimes SeniorCare Complete and AbilityCare limits the amount of a drug you can get.
- **Step therapy:** Sometimes SeniorCare Complete and AbilityCare requires you to do step therapy. This means you will have to try drugs in a certain order for your medical condition. You might have to try one drug before we will cover another drug. If your doctor or other prescriber thinks the first drug doesn't work for you, then we will cover the second.

You can find out if your drug has any additional requirements or limits by looking in the table in Section C1. You can also get more information by visiting our website at www.mnscha.org. We have posted online documents that explain our prior authorization restriction and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception to these limits. You should talk to your doctor or other prescriber. He or she can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception. Please see questions B10-B12 for more information about exceptions.

B5. How will you know if the drug you want has limitations or if there are any actions required to get the drug?

The Drug List in Section C1 has a column labeled "Necessary actions, restrictions, or limits on use." Please see question B4 for more information about restrictions, limits, or actions to take.

B6. What happens if we change our rules about how we cover some drugs (prior authorization, quantity limits, and/or step therapy restrictions)?

In some cases, we will tell you in advance if we add or change prior authorization, quantity limits, and/or step

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

therapy restrictions on a drug. See question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the Drug List change.

B7. How can you find a drug on the Drug List?

There are two ways to find a drug:

- You can search alphabetically (if you know how to spell the drug), **or**
- You can search by drug type.

To search **alphabetically**, go to the Index of Covered Drugs. You can find it in Section E. The Index of Covered Drugs is an alphabetical list of all of the drugs included in the Drug List. Both brand name drugs and generic drugs are listed in the index.

To search **by drug type**, find Section C1 labeled “Drugs Grouped by Drug Type”. The drugs in this section are grouped into categories by type. For example, if you are taking a medicine for migraines, you should look in the “Antimigraine Agents” category. That is where you will find drugs that treat migraines.

B8. What if the drug you want to take is not on the Drug List?

If you don't see your drug on the Drug List, call Member Services at the number listed at the bottom of this page and ask about it. If you learn that SeniorCare Complete and AbilityCare will not cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. He or she can prescribe a drug on the Drug List that is like the one you want to take. **Or**
- You can ask the health plan to make an exception to cover your drug. See questions B10-B12 for more information about exceptions.

B9. What if you are a new SeniorCare Complete or AbilityCare member and can't find your drug on the Drug List or have a problem getting your drug?

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you are a member of SeniorCare Complete or AbilityCare. This will give you time to talk to your doctor or other prescriber. He or she can help you decide if there is a similar drug on the Drug List you can take instead, or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30-days of medication.

We will cover a 30-day supply of your drug if:

- you are taking a drug that is not on our Drug List, **or**
- health plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by SeniorCare Complete and AbilityCare, **or**
- you are taking a drug that is part of a step therapy restriction.

If you are in a nursing home or other long-term care facility and need a drug that is not on the Drug List or if you cannot easily get the drug you need, we can help. If you have been in the plan for more than 90-days, live

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

in a long-term care facility, and need a supply right away:

- We will cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new SeniorCare Complete and AbilityCare member.
- This is in addition to the temporary supply during the first 90 days you are a member of SeniorCare Complete or AbilityCare.

South Country Health Alliance will not apply early refill edits that would limit appropriate and necessary actions to Part D Drugs by enrollees who experience a Level of Care Change. These enrollees will be allowed to obtain a refill of their prescription(s) upon admission to or discharge from a long term care facility.

B10. Can you ask for an exception to cover your drug?

Yes. You can ask SeniorCare Complete or AbilityCare to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

- For example, SeniorCare Complete or AbilityCare may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

B11. How can you ask for an exception?

To ask for an exception, call Member Services. A Member Services representative will work with you and your provider to help you ask for an exception. You can also read Chapter 9 of the *Member Handbook or Evidence of Coverage* to learn more about exceptions.

B12. How long does it take to get an exception?

First, we must get a statement from your prescriber supporting your request for an exception. After we get the statement, we will give you a decision on your exception request within 72 hours.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of getting your prescriber's supporting statement.

B13. What are generic drugs?

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA).

SeniorCare Complete and AbilityCare covers both brand name drugs and generic drugs.

B14. What are over-the-counter (OTC) drugs?

OTC stands for "over-the-counter." SeniorCare Complete and AbilityCare offers some OTC drugs through Medical Assistance (Medicaid) at no cost to you. You need a prescription for OTC drugs to be covered. These OTC drugs are listed in this Drug List in Section D.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

B15. Does SeniorCare Complete and AbilityCare cover non-drug OTC products?

SeniorCare Complete and AbilityCare covers some non-drug OTC products through Medical Assistance (Medicaid). These non-drug OTC products are listed in this Drug List in Section D.

Examples of non-drug OTC products include Diafoods Thick-It oral powder and DuoDERM dressings.

B16. Can I get my drugs through Long-Term Supply?

We offer a way to get a long-term supply of “maintenance” drugs on our plan’s Drug List. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.)

For more information about getting drugs for a long-term supply, please call Member Services at the number listed at the bottom of this page.

B17. What is your copay?

You can read the SeniorCare Complete and AbilityCare Drug List to learn about the copay for each drug.

A copay is an amount you may be required to pay as your share of the cost of a prescription drug.

A copay is usually a set amount, rather than a percentage. For example, you might pay \$0 to \$9.20 for a prescription drug.

SeniorCare Complete and AbilityCare members living in nursing homes or other long-term care facilities will have no copays. Some members getting long-term care in the community will also have no copays.

The Drug List includes copays listed by tiers.

- Tier 1 Generic drugs have the lowest copay. The copay is from \$0 to \$3.70, depending on your income and level of Medical Assistance (Medicaid) eligibility.
- Tier 1 Brand drugs have a higher copay. The copay is from \$0 to \$9.20, depending on your income and level of Medical Assistance (Medicaid) eligibility.
- OTCs have a \$0 copay.

If you have questions, call Member Services at the number at the bottom of this page. We can help you understand what your copays will be.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.

C. Overview of the *List of Covered Drugs*

The *List of Covered Drugs* gives you information about the drugs covered by SeniorCare Complete and AbilityCare. If you have trouble finding your drug in the list, turn to Section E, Index of Covered Drugs. The index alphabetically lists all drugs covered by SeniorCare Complete and AbilityCare.

C1. Drugs Grouped by Drug Type

The drugs in this section are grouped into categories by type. For example, if you are taking a medicine for migraines, you should look in the “Antimigraine Agents” category. That is where you will find drugs that treat migraines.

Here are the meanings of the codes used in the “Necessary actions, restrictions, or limits on use” column:

- B/D = This prescription drug has a Part B versus D administrative prior authorization requirement. This drug may be covered under Medicare Part B or D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.
- QL = Quantity Limit. For certain drugs, SeniorCare Complete and AbilityCare limits the amount of the drug that we will cover. For example, the plan provides twelve tablets per 30-day supply.
- ST = Step Therapy. In some cases, SeniorCare Complete and AbilityCare requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, the plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, the plan will then cover Drug B.
- PA = Prior Authorization. SeniorCare Complete and AbilityCare requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from the plan before you fill your prescriptions. If you don’t get approval, the plan may not cover the drug.
- LA = Limited Availability. This prescription may be available only at certain pharmacies. For more information, please contact Member Services at the number listed at the bottom of this page.

The first column of the table lists the name of the drug. Generic drugs are listed in lower-case italics (e.g., *warfarin*), brand name drugs are capitalized (e.g., CHANTIX), and OTC drugs and products are listed in lower case (e.g., aspirin). The information in the “Necessary actions, restrictions, or limits on use” column tells you if SeniorCare Complete and AbilityCare has any rules for covering your drug.

If you have questions, please call SeniorCare Complete Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation are 8 a.m. to 8 p.m., Monday - Friday (*April - September*); 8 a.m. to 8 p.m., 7 days a week (*October - March*) The call is free. **For more information**, visit www.mnscha.org.
