

Bulletin: Assisted Transportation Requires Driver's License Number

EFFECTIVE January 1, 2021.

Additional claim information will be needed for ASSISTED "Special" TRANSPORTATION ONLY.

Starting January 1, 2021, the Driver's License number of the person who transports the member will be required on the 837P claim. On Codes T2003, T2005 and A0130, the Loop 2400 under SV101-7, the description field must include the driver's license number, or the claim will reject/deny. The number must be a valid driver license number with no spaces or dashes.
