When a CAH submits an 837I claim and the claim contains the TOB 13x or 83x, the claim will be rejected back to the provider. (The edit will determine the facility type by matching the group practice TIN/NPI, to the proper affiliation record in Amisys. The Type [PR] field needs to have an "HP" for Hospital and the Spec [SP] field will have a "CH" for Critical Access Hospital.)
