Young Adult Well-care Visit (C&TC exam)

Yearly well-care visits, also known as Child & Teen Checkups (C&TC exams), are an important part of keeping yourself on track to maintaining good health and well-being. During a well-care (C&TC) visit, your health care provider will check your vital signs and complete a preventive health screening exam.

Call your doctor today to schedule a well-care (C&TC) visit. When making your appointment, tell them South Country and your local public health department recommend C&TC exams up to age 21. These visits are a covered benefit for all eligible South Country members. No copay or other charges apply.

Receive a \$10 gift card
